

FOJ 5k

5.10.2014
Hanover, MA

Join us on May 10th for the 4th Annual Friends of Julie (FOJ) 5K.

Julie was a wife, mother, friend, sister, daughter, aunt, remarkable, fun, compassionate, strong, beautiful...these are all words used to describe Julie Anne Porzio. In July 2006 Julie was diagnosed with breast cancer and beat it. In 2008 the cancer returned and metastasized to her liver, spreading to her abdomen. Sadly, Julie passed away in May 2010. The FOJ 5K was created in her memory.

Online registration and complete race information can be found at:

Friends of Julie is a non-profit organization providing memory making experiences to parents who are faced with the realities of a late-stage cancer diagnosis.
